

# MAGNUM CALCIUM GREASE MP-3

MAGNUM Calcium Multipurpose Grease MP3 formulated from Mineral oil thickened by calcium hydroxide. Additionally, it has a smooth buttery texture, excellent water-resistant property, mechanical stability, and lubricating performance.

## BENEFITS

- Excellent adhesive property.
- Minimum leakage and loss in the wash due to strong resistance to wear.
- Well-distributed texture.
- Superior mechanical and shear stability.

## APPLICATION

It is recommended for use in automotive wheel bearings of all types of passenger cars, commercial vehicles, off-highway & farm equipment.
